Join us and embark on the trip of a lifetime on a Kenyan Wing Safari for an experience of a lifetime. We have worked to ensure every detail has been arranged to perfection. There are many things that affect the quality and cost of a Kenyan Safari and you'll find that the TRIPS Kenya Wing Safari will exceed your expectations. From the moment you exit customs Nairobi, your TRIPS Safari Director and Team will greet you and you'll be assisted with your transfer to your five-star Nairobi Hotel. As you travel from the northern reaches of the Aberdare National Forest to the world famous Maasai Mara in Southern Kenya, you'll find the people to be warm and friendly and the animals beyond imagination. You'll be greeted with a heartfelt "Jambo" as you travel throughout the county, and you'll soon be returning the greeting, smiling just as broadly as the Kenyans you meet. Countless Good to Go travelers have returned home commenting that their Kenya Wing Safari changed them in such unexpected ways. Surely, a major draw is seeing elephant, lion, cheetah and giraffe in the wild, but just as often travelers comment on how positively they were touched by the people they met.
